### **Melasma-X 3D Whitening Clinic renewal Cream – 40ml**

#### Features & Details:

Beaute Melasma-X 3D Whitening Clinic Renewal Cream is functions to improve wrinkles and whitening skin. It contains the main ingredients such as collagen, peptide, Broussonetia Kazinoki Root Extract, hyaluronic Acid, etc. It improves skin elasticity, freckles, and blemishes, and gives rich moisturizing power. It brightens and moist around the eyes. It is also used for eye cream.

Melasma-X 3D Whitening Clinic Cream – 35ml. Indications: Removes brown spots, and dark spots. Supports control of sebum, and reduces excess oil on the skin. Prevent the entry of dirt and bacteria from the environment, especially in summer, during the dust and hot sun season. Improvement and disappearance of dark acne scars thanks to licorice extract. Tightens pores and brightens skin thanks to mulberry extract. Contains vitamins A, B and C to help prevent aging and wrinkles in the skin Active Ingredients: Niacinamide is a vitamin B3 derivative that helps to produce more ceramides, fatty acids, and collagen to retain all moisture inside, prevent water loss, and improve skin elasticity. Mulberry root extract: natural material with excellent whitening effect. Mulberry root contains a large amount of vitamins E, A, and C, which can quickly penetrate the skin, helping it to absorb the best nutrients, from which it becomes bright and free from dark spots. Licorice extract: has a softening and soothing effect on the skin and is therefore used to treat several skin conditions. This plant is known to have anti-inflammatory properties, so it is used for the following dermatitis: eczema or atopic dermatitis, to remove freckles, blurred dark spots, itching, and dryness. Plus, the effects of licorice are most related to its anti-aging properties. Ingredients extracted from other natural ingredients such as cauliflower, blueberries, black beans, acai berries, raspberries, strawberries, Klingon oil, cranberry, cheeks, lettuce, and grape oil. The most special ingredient is the peptide. A smaller protein molecule must penetrate deep into the dermis layer, supporting the production of collagen and elastin, helping to improve the skin, and preventing wrinkles and aging.

- Eliminate dark spots and age spots.
- Helps to fade brown spots, dark spots caused by acne thanks to licorice extract.
- Improves skin tone to become white and evenly colored thanks to Niacinamide.
- Penetrates deep into skin, leaving skin feeling soft and supple

- Helps control slime, and reduces excess oil on the skin.
- Preventing dirt and bacteria from the outside environment, especially in the summer, the season of dirt and heat.
- Shrink pores and keep skin glowing with mulberry extract.
- Provides vitamins A, B, C, and E to help prevent aging and wrinkles on the skin.

How to Use:

Apply moderately to your face and massage your face. Rub to distribute evenly. Smooth all over the face, massaging until fully absorbed.

→ **Melasma-X Vita-Collagen Tone-Up Sun Cream SPF50+ PA+++ (45ml)**

Beaute Vita-Collagen Tone-Up Sun Cream SPF 50+ is a skincare product that combines the benefits of a sunscreen and a tone-up cream. It is designed to provide protection against harmful UV rays while offering skin brightening and tone-up effects. Here are some of the benefits of using this product:

- Sun protection: Beaute Vita-Collagen Tone-Up Sun Cream has a high sun protection factor (SPF) of 50+, which means it provides excellent protection against both UVA and UVB rays. This helps prevent sunburn, premature aging, and other sun-related skin damage.
- Tone-up effect: The cream has a tone-up effect, which means it helps even out your skin tone and brighten your complexion. It contains ingredients that can visibly reduce the appearance of dark spots, blemishes, and dullness, giving your skin a more radiant and youthful look.
- Collagen boost: This sun cream is formulated with collagen, a protein that plays a crucial role in maintaining skin elasticity and firmness. By incorporating collagen into the product,

it helps support your skin's natural collagen production, leading to improved skin texture and reducing the signs of aging.

- **Moisturizing properties:** Beaute Vita-Collagen Tone-Up Sun Cream also provides hydration to your skin. It contains moisturizing ingredients that help to replenish and retain moisture, keeping your skin nourished and preventing dryness throughout the day.
- **Non-greasy formula:** The sun cream has a lightweight and non-greasy formula, making it suitable for daily use. It absorbs quickly into the skin without leaving a heavy or sticky residue, allowing for comfortable wear under makeup or on its own.
- **Broad-spectrum protection:** The SPF 50+ in this sun cream indicates that it provides broad-spectrum protection. This means it shields your skin against both UVA and UVB rays, which are known to cause sunburn, skin aging, and contribute to the development of skin cancer.
- **Antioxidant benefits:** The product may also contain antioxidants, such as vitamin C, which can help protect your skin from free radicals and environmental damage. These antioxidants can promote a more youthful appearance and contribute to overall skin health. It's important to note that individual results may vary, and it's always recommended to perform a patch test or consult with a dermatologist before incorporating new skincare products into your routine, especially if you have specific skin concerns or sensitivities.

Benefits:

- Instant tone up looks as you apply makeup.
- Protect your skin from UV rays & pollution.
- High quality ingredients applied.
- No harmful ingredients.
- No side effect

Compatible for all type skin, Brightening, Face Care, Moisturizing, Skin Care, Skin Concern, Skin Type, Sun Burn Treatment, Sun Protection, Sunscreen, Sunscreen

→ **Melasma-X Glutathione Essence Cica Fluid - 200ml**

Beaute Glutathione Essence Cica Fluid is a skincare product that combines the skin brightening benefits of glutathione with the healing properties of cica or Centella Asiatica. This essence is designed to help brighten and even out skin tone while also soothing and calming irritated skin. Glutathione is a powerful antioxidant that can help to protect the skin from free radicals and environmental stressors that can lead to premature aging and damage. It can also help to reduce the appearance of dark spots and hyperpigmentation, resulting in a brighter and more even complexion. Cica, on the other hand, is known for its anti-inflammatory and wound-healing properties. It can help to soothe irritated skin and reduce redness and inflammation, making it a great ingredient for those with sensitive or

reactive skin. Other key ingredients in this essence include niacinamide, which can help to brighten the skin and reduce the appearance of fine lines and wrinkles.

#### **Key Benefits:**

- **Brightening:** Glutathione and niacinamide in this essence can help to brighten the skin and reduce the appearance of dark spots and hyperpigmentation, resulting in a more even skin tone and a brighter complexion.
- **Soothing:** Cica or Centella Asiatica is known for its anti-inflammatory and wound-healing properties, which can help to soothe irritated skin and reduce redness and inflammation.
- **Hydrating:** This essence contains hyaluronic acid, which can help to hydrate the skin, leaving it feeling soft and supple.
- **Anti-aging:** Niacinamide and glutathione in this essence can help to reduce the appearance of fine lines and wrinkles, resulting in a more youthful-looking complexion.
- **Antioxidant protection:** Glutathione is a powerful antioxidant that can help protect the skin from damage caused by free radicals and environmental stressors.

#### **Key Ingredients:**

- Glutathione: a powerful antioxidant that can help to protect the skin from free radicals and reduce the appearance of dark spots and hyperpigmentation.
- Niacinamide: a form of Vitamin B3 that can help to brighten the skin and reduce the appearance of fine lines and wrinkles.
- Cica or Centella Asiatica: a natural ingredient that is known for its anti-inflammatory and wound-healing properties.
- Hyaluronic acid: a hydrating ingredient that can help to plump and moisturize the skin.
- Betaine: a humectant that can help to improve the skin's texture and retain moisture.
- Allantoin: a soothing ingredient that can help to calm the skin and reduce irritation.
- Panthenol: a form of Vitamin B5 that can help to improve the skin's hydration levels and promote healing.

#### **How to use:**

- Cleanse your face thoroughly with your preferred cleanser and pat dry.
- Apply a small amount of toner to a cotton pad and gently swipe it over your face to remove any remaining impurities.
- Take an appropriate amount of the essence onto your palms or a cotton pad.

- Gently pat the essence into your skin, starting from the center of your face and working your way outward.
- Continue to pat until the essence is fully absorbed.
- Follow with your regular moisturizer or other skincare products.

It is recommended to use sunscreen during the day while using this essence as some of its ingredients may increase sun sensitivity. The essence can be used both in the morning and evening as part of your skincare routine.

Those who want to get the benefits of soothing gel, toner, cream and serum at the same time must use this Moringa Brightening Cool Soothing Gel. If you use this one thing, you will get all

the benefits. Four in one: You can use it as a whitening soothing gel, whitening cream, whitening toner or whitening serum. It does not have to be used for 20 minutes like other soothing gels. You can apply it all day or all night. Just use it like cream. Soothing Gel is basically made of some natural ingredients which are much more beneficial for our skin. And it

is possible to make the skin beautiful and attractive by applying natural beauty with gel. Soothing Gel basically acts as a natural bleach on the skin. Soothing Gel does not harm the skin

when used according to your skin type. It brightens and smoothes the skin in a completely natural way without any side effects. It is for all type of skin.
